## Juno SlimForm<sup>™</sup> LED Surface Mount Downlights Installation

#### **Quick and Simple Installation**

Juno SlimForm Surface Mount Downlights are easily installed over a junction box. These fixtures are ideal for use in areas with limited plenum space or when recessed downlights are impractical.

#### Juno SlimForm 5" and 7" fixtures

utilize a 'snap-in' installation method where the metal spring clips adhere to the mounting bracket.

**Note:** A 4" junction box with 3-1/2" mounting hole spacing and a minimum of 2-1/8" depth is required.

To view the instructional video, please visit: www.AcuityBrands.com/JunoSlimForm-Install-Small

#### For Juno SlimForm 11" and larger

**fixtures**, the fixture assembly is rotated onto the mounting bracket to complete installation. **Note:** A 4" junction box with 3-1/2" mounting hole spacing is required and no minimum depth.

### Juno SlimForm<sup>™</sup> Accessories

Juno SlimForm fixtures can be accessorized by adding an optional trim or shroud. These accessories include field-bendable tabs that easily secure to the fixture without the need for tools!

Optional trims and shrouds provide a decorative look and feel like a recessed downlight for multi-family residential, hospitality and other commercial environments.

**Trims** Field-installable trims 'wrap' around the exterior of the fixture to provide a decorative finish.

#### Shrouds

Optional field-installable shrouds offer a source shield and aesthetic similar to a recessed downlight with a baffle or cone trim finish.

Trims and shrouds are as easy to install as changing a picture frame. Simply bend the tabs over the fixture to hold it in place.

## Juno SlimForm<sup>™</sup> Field-Installable Accessories

Decorative trims and shrouds are available for use on Juno SlimForm 5" and 7" fixtures.

#### **Options Include:**

**Round Trim Square Trims Round Shroud Square Shroud** (JSFTRIM) (JSFSQTRIM) (JSFSHROUD) (JSFSQSHROUD) DB BWH: Black Baffle, BZ: Bronze Finish BZ: Bronze Finish **DB BWH:** Black Baffle, White Shroud White Shroud SN: Satin Nickel Finish **DB WWH:** White Baffle, **DB WWH:** White Baffle, SN: Satin Nickel Finish White Shroud White Shroud **BL:** Black Finish DC HZWH: Haze Cone, DC HZWH: Haze Cone, BL: Black Finish White Shroud White Shroud DC WHZWH: Wheat Haze DC WHZWH: Wheat Haze Cone, White Shroud Cone, White Shroud **DC WWH:** White Cone, DC WWH: White Cone, White Shroud White Shroud

Note: Accessories are shown installed on fixtures. Fixtures and accessories must be ordered separately.

## Juno SlimForm<sup>™</sup> with Battery Back-Up

The factory-installed, integral battery back-up option (EL) powers fixtures during outages. This option eliminates the need and maintenance involved in installing a separate emergency fixture, or having to wall mount a fixture susceptible to physical damage.

A factory-installed, empty back box (EBX) can be added to the additional fixtures within the space to match the battery box depth and provide a more consistent appearance.

The integral battery option provides back up power to fixtures in hallways, corridors or other common areas.
