Please be informed that the data shown in this PDF document is generated from our online catalog. Please find the complete data in the user documentation. Our general terms of use for downloads are valid.

Electronic diagonal cutter, tapered head, without chamfer, with opening spring, non-reflective phosphate-treated surface, punched version

Your advantages

- Opening spring for uniform, smooth opening
- Ergonomically shaped two-component handles for fatigue-free and non-slip use
- Special tool steel for permanent use
- Phosphate-treated metal surfaces for optimum rust protection and no glare when working
- Screwed precision joint for permanent stability and optimum results

Commercial data

Item number	1212487
Packing unit	1 pc
Minimum order quantity	1 pc
Sales key	BH31
Product key	BH3151
GTIN	4046356527187
Weight per piece (including packing)	78.5 g
Weight per piece (excluding packing)	75.4 g
Customs tariff number	82032000
Country of origin	IT

Technical data

Notes

Environmental Product Compliance

California Proposition 65	Further information on California's prop. 65 is available under "Downloads" in the manufacturer's declaration

Product properties

Product type	Electronics pliers
Product property	Screwed precision joint
	Phosphated metal surface
	Ergonomic two-component handle
	Sensitive opening spring

Dimensions

Length	138 mm
